Please note that all graphics, including high resolution, are available on Trendnet within the Product detail page.

NO.	FIELD	Type	Length	Comment
1	Product Reference	Alpha	15	As shown in Trend catalogues.
3	Description	Alpha	50	Unique description
2	Title	Alpha	50	General title as used on Trend website
4	Product Group	Alpha	10	Trend Product Group
5	Nett weight	Real		Grammes
6	Gross weight	Real		Grammes
7	Barcode	Alpha	13	Ean 13 format
8	Discount Code	Alpha	15	Trend Discount Code
9	Menu Level 1	Alpha	50	As used in Trend website menu navigation.
10	Menu Level 2	Alpha	50	As used in Trend website menu navigation.
11	Menu Level 3	Alpha	50	As used in Trend website menu navigation.
12	Keywords	Alpha	80	For searches (upto 5 words or phrases seperated by a)
13	Ranking Order	Integer		For list page sorting
14	Specification	Text		Product Detail Specification grid. A = defines seperator, a defines next line. See Trend website.
15	Main Text	Text		Main text. A character denotes new line.
16	Product Includes	Text		List of products included. A character denotes new line.
17	Main Catalogue Page Number	Alpha	10	PDF name in Folder called Download pdfs on Data and Images DVD disc.
18	Main Graphic 1	Alpha	80	Jpeg name in Jpegs folder on Data and Images DVD disc.
19	Dimension Graphic	Alpha	80	Graphic with dimensions as per Specification field above. Jpeg name in Jpegs folder on Data and Images DVD disc.
20	Feature Graphic 1	Alpha	80	Extra graphic. Jpeg name in Jpegs folder on Data and Images DVD disc.
21	Feature Graphic 2	Alpha	80	Extra graphic. Jpeg name in Jpegs folder on Data and Images DVD disc.
22	Feature Graphic 3	Alpha	80	Extra graphic. Jpeg name in Jpegs folder on Data and Images DVD disc.
23	Feature Graphic 4	Alpha	80	Extra graphic. Jpeg name in Jpegs folder on Data and Images DVD disc.
24	Feature Graphic 5	Alpha	80	Extra graphic. Jpeg name in Jpegs folder on Data and Images DVD disc.
25	Feature Graphic 6	Alpha	80	Extra graphic. Jpeg name in Jpegs folder on Data and Images DVD disc.
26	Feature Graphic 7	Alpha	80	Extra graphic. Jpeg name in Jpegs folder on Data and Images DVD disc.
27	Feature Graphic 8	Alpha	80	Extra graphic. Jpeg name in Jpegs folder on Data and Images DVD disc.
28	Includes Graphic 1	Alpha	80	Extra graphic showing what is included in product. Jpeg name in Jpegs folder on Data and Images DVD disc.
29	Includes Graphic 2	Alpha	80	Extra graphic showing what is included in product. Jpeg name in Jpegs folder on Data and Images DVD disc.
30	Includes Graphic 3	Alpha	80	Extra graphic showing what is included in product. Jpeg name in Jpegs folder on Data and Images DVD disc.
31	Includes Graphic 4	Alpha	80	Extra graphic showing what is included in product. Jpeg name in Jpegs folder on Data and Images DVD disc.
32	Includes Graphic 5	Alpha	80	Extra graphic showing what is included in product. Jpeg name in Jpegs folder on Data and Images DVD disc.
33	Includes Graphic 6	Alpha	80	Extra graphic showing what is included in product. Jpeg name in Jpegs folder on Data and Images DVD disc.
34	Includes Graphic 7	Alpha	80	Extra graphic showing what is included in product. Jpeg name in Jpegs folder on Data and Images DVD disc.
35	Includes Graphic 8	Alpha	80	Extra graphic showing what is included in product. Jpeg name in Jpegs folder on Data and Images DVD disc.
36	Shank Diameter	Alpha	20	Shank Dia.
37	Grade	Alpha	20	Grade of product.
38	Dia Metric	Alpha	20	Diameter 1 in mm.
39	Dia Imperial	Alpha	20	Diameter 1 in inches
40	Dia2 metric	Alpha	20	Diameter 2 in mm.
41	Dia2 Imperial	Alpha	20	Diameter 2 in inches
42	Cut Length Metric	Alpha	20	Cutter or tool length 2 in mm.
43	Cut Length Imperial	Alpha	20	Cutter or tool length 2 in inches.
44	Overall Length Metric	Alpha	20	Overall Length of tool in mm.
45	Overall Length Imperial	Alpha	20	Overall Length of tool in inches.
46	Bearing Dia Metric	Alpha	20	Bearing diameter of router cutter in mm.
47	Bearing Dia Imperial	Alpha	20	Bearing diameter of router cutter in inches.
48	Rebate Metric	Alpha	20	Rebate of router cutter in mm.
49	Rebate Imperial	Alpha	20	Rebate of router cutter in inches.
50	Radius 1 Metric	Alpha	20	Radius 1 of router cutter in mm.
51	Radius 1 Imperial	Alpha	20	Radius 1 of router cutter in inches.
52	Radius 2 Metric	Alpha	20	Radius 2 of router cutter in mm.
53	Radius 2 Imperial	Alpha	20	Radius 2 of router cutter in inches.
54	Angle	Alpha	20	Angle of router cutter profiles in degrees.
55	Sawbore Metric	Alpha	20	Sawblade Bore in mm.
56	Sawbore Imperial	Alpha	20	Sawblade Bore in inches.
57	Saw Kerf Metric	Alpha	20	Sawblade Kerf in mm.
58	Saw Kerf Imperial	Alpha	20	Sawblade Kerf in inches.
59	Saw Plate Thick Metric	Alpha	20	Sawblade plate thickness in mm.
60	Saw Plate Thick Imperial	Alpha	20	Sawblade plate thickness in inches.
61	Saw Teeth	Alpha	20	No. of sawblade Teeth.
62	Video_1	Alpha	80	Movie file name in Movies folder on Data and Images DVD disc.
63	Video_2	Alpha	80	Movie file name in Movies folder on Data and Images DVD disc.
64	Video_3	Alpha	80	Movie file name in Movies folder on Data and Images DVD disc.
65	TestReviewMag1	Alpha	80	Test Review PDF name in Folder called Download pdfs on Data and Images DVD disc.
66	TestReviewMag2	Alpha	80	Test Review PDF name in Folder called Download pdfs on Data and Images DVD disc.
67	TestReviewMag3	Alpha	80	Test Review PDF name in Folder called Download pdfs on Data and Images DVD disc.
68	TestReviewMag4	Alpha	80	Test Review PDF name in Folder called Download pdfs on Data and Images DVD disc.
69	TestReviewMag5	Alpha	80	Test Review PDF name in Folder called Download pdfs on Data and Images DVD disc.
70	TestReviewMag6	Alpha	80	Test Review PDF name in Folder called Download pdfs on Data and Images DVD disc.
71	Instruction_1	Alpha	80	Instructions PDF name in Folder called Download pdfs on Data and Images DVD disc.
72	Instruction_2	Alpha	80	Instructions PDF name in Folder called Download pdfs on Data and Images DVD disc.
73	SparePartsDiagram1	Alpha	80	Spare Parts diagram PDF name in Folder called Download pdfs on Data and Images DVD disc.
74	SparePartsDiagram2	Alpha	80	Spare Parts diagram PDF name in Folder called Download pdfs on Data and Images DVD disc.
75	Wire_pdf	Alpha	80	Wiring Diagram PDF name in Folder called Download pdfs on Data and Images DVD disc.
76	COSHH_1	Alpha	80	Safety Sheet PDF name in downloads folder on Graphics DVD disc.
77	COSHH_2	Alpha	80	Safety Sheet PDF name in downloads folder on Graphics DVD disc.
78	Warranty Period	Integer		In Months.
79	Warranty Card Flag	Alpha	1	If included in with product. Y or N.
80	Stock Level	Alpha	80	Contains In Stock, Out of Stock (optional due date).Example data only. Daily update file available for this field.
81	New Product Launch Date	Date		Date when product was launched DD/MM/YY.
82	New Product Flag	Alpha	1	Y or N
83	List Price - UK	Real		Catalogue List Price ex VAT
84	Charge VAT	Alpha	1	Y or N. Books will be an N
85	Pack Qty	Integer		
86	Intrastat Code	Alpha	12	
87	Packaged Size	Alpha	80	Packaged Sizes in mm. H x W x D.
88	Alternative Product Reference	Alpha	15	Used for cutters only
89	Accessory Tab	Alpha	1	Y or N. Indicates that there are related records in Relations Table file available as separate file.
90	Spares Tab	Alpha	1	Y or N. Indicates that there are related records in Relations Table file available as separate file.
91	Related Tab	Alpha	1	Y or N. Indicates that there are related records in Relations Table file available as separate file.
92	Alternatives Tab	Alpha	1	Y or N. Indicates that there are related records in Relations Table file available as separate file.
