

# ALTERNATIVE PROFILE STYLES

## Alternative Profile Styles

Alternative profile styles can be achieved by purchasing additional tools and swapping them for the standard profile in most systems. Many of the styles have tools in common when one or more styles are purchased in combination. Therefore please check if you already have the tools required before purchasing them.

### Key:

- Already supplied in standard window system.
- Additional profile tools required as indicated. See table below.
- Not possible.

Optional Profile Styles	NEW COMING SOON			NEW COMING SOON	
	Ovolo	Lambs Tongue	9° Splay	20° Splay	9° Full Splay
