

WELCOME TO OUR 2016 CATALOGUE

This catalogue contains a comprehensive range of quality tools and includes a range of sawblades, drilling tools, spindle tooling and CNC tooling. These tools are available from our network of Industrial dealers for next day delivery.

This range of tooling is used by UK manufacturers who can be confident in the manufacturing quality of the tools for their applications.

Trend's reputation is built on providing the marketplace with innovative and quality tools supported with outstanding customer service.

We hope you enjoy perusing our catalogue and are confident you will find the tooling you need!

Sincerely

Jeff Willcocks
