1. SAFETY

1.1 SAFETY INSTRUCTIONS

- WARNING!** Ensure Health & Safety, local authority and general workshop practice regulations are adhered to when using this equipment.
- ✓ Maintain the dent puller in good condition.
- ✓ Replace damaged parts. Use genuine parts only. *Unauthorised parts may be dangerous and will invalidate the warranty.*
- ✓ Use in a suitable work area. Keep area free from unrelated materials and ensure that there is adequate lighting.
- ✓ Before each use, check condition of dent puller. If any component is worn or damaged replace immediately.
- WARNING!** Always wear approved eye (or face) and hand protection when operating the puller.
- ✓ Maintain correct balance and footing. **DO NOT** over reach, ensure the floor is not slippery, wear non-slip footwear.
- ✓ Keep fingers clear of suction release trigger during use.
- ✓ Keep children and unauthorised persons away from the working area. Ensure workpiece is secure before operating the dent puller.
- ✓ Ensure that the workpiece surface is clean, dry and free from oil or grease.
- ✗ **DO NOT** exceed the maximum pull capacity of the dent puller.
- ✗ **DO NOT** clean the suction cups with solvents or other harsh chemicals.
- ✗ **DO NOT** use the dent puller for any purpose other than that for which it is designed.
- ✗ **DO NOT** use the dent puller if any parts are damaged or missing as this may cause failure and/or personal injury.
- ✗ **DO NOT** use the dent puller when you are tired or under the influence of alcohol, drugs or intoxicating medication.
- ✓ When not in use, store in a safe, dry, childproof location.

2. INTRODUCTION

- 5.1. Check condition of suction cup regularly, if damaged replace using genuine parts only.
- 5.2. Keep dent puller in a clean, serviceable condition, use a damp cloth to clean.

ENVIRONMENT PROTECTION

Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain any fluids (if applicable) into approved containers and dispose of the product and fluids according to local regulations.

Note: It is our policy to continually improve products and as such we reserve the right to alter data, specifications and component parts without prior notice.

Important: No Liability is accepted for incorrect use of this product.

Warranty: Guarantee is 12 months from purchase date, proof of which is required for any claim.
