1. SAFETY

- WARNING!** Ensure Health & Safety, and local authority regulations are adhered to when assembling and using these shelves.
- ✓ Locate shelves in a suitable area where they will not be an obstruction.
- ✓ Keep the general area clean, uncluttered and ensure there is adequate lighting.
- WARNING!** Ensure shelving structure to which the side panels are being fitted is on a level and solid surface such as concrete before fitting side panels.
- ✓ Keep children and unauthorised persons away from the storage area.
- ✗ **DO NOT** use the side panels for any purpose other than that for which they are designed.
- ✗ **DO NOT** site the side panels out of doors.
- ✗ **DO NOT** get the side panels wet or use in damp or wet locations or areas where there is condensation.
- ✗ **DO NOT** clean the side panels fixings with any solvents which may damage the side panels coated surface.
- ✓ Ensure that the side panels are properly and securely assembled before loading them with heavy items.
- ✓ When loading the side panels the load must be evenly distributed.
- ✓ Place heavier items on the lowermost locations.
- ✓ Where possible heavier items should be evenly distributed across the side panels.
