manual

1. SAFETY

- ☐ **WARNING!** Ensure Health & Safety, local authority, and general workshop practice regulations are adhered to when using this Rollcab..
- ✓ Locate the tool cabinet in a suitable working area.
- ✓ Keep the work area clean, uncluttered and ensure there is adequate lighting.
- ✓ Keep the tool cabinet clean and tidy in accordance with good workshop practice.
- ✓ Keep children and unauthorised persons away from the working area.
- ✗ **DO NOT** use the tool cabinet for any purpose other than that for which it is designed.
- ✗ **DO NOT** step on the drawers.
- ✗ **DO NOT** use in damp work areas.
- ☐ **WARNING!** The warnings, cautions and instructions referred to in this instruction manual cannot cover all possible conditions and situations that may occur. It must be understood that common sense and caution are factors which cannot be built into this product, but must be applied by the operator.

2. INTRODUCTION

Mini rollcab ideal for mechanics, hobbyists, model builders and DIY enthusiasts. Suitable for storing frequently used tools, parts, craft supplies or stationery. Supplied with four castors, including two swivel castors with brakes for easy manoeuvrability and secure positioning.

Features five drawers with ball-bearing runners and protective liners. Includes a non-slip drawer liner that can also be used as a scratch-resistant cushioned surface for desks or worktops if the unit is used without castors. Also supplied with a 2mm foam top mat for added surface protection..

3. SPECIFICATION

Model No:	APMRC1	APMRC2

7. END OF LIFE

- 7.1. When the Superline PRO® Mini Rollcab 5 Drawer has reached the end of its serviceable life and is no longer suitable for continued use. The unit should be removed from service and disposed of in accordance with company procedures. Metal components should be sent to a licensed metal recycling facility for recovery and recycling, with any remaining materials disposed of in line with local environmental regulations.

ENVIRONMENT PROTECTION

Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain any fluids (if applicable) into approved containers and dispose of the product and fluids according to local regulations.

Note: It is our policy to continually improve products and as such we reserve the right to alter data, specifications and component parts without prior notice.

Important: No Liability is accepted for incorrect use of this product.

Warranty: Guarantee is 60 months from purchase date, proof of which is required for any claim.
