1. Introduction

Thank you for purchasing a Sealey product. Manufactured to a high standard, this product will, if used according to these instructions, and properly maintained, give you years of trouble free performance.

1.1 Intended Use

The American PRO® Modular 4 Drawer Cabinet with Wooden Worktop is designed to provide secure storage for tools, equipment, and workshop accessories. Suitable for use in garages and workshops, it features a durable wooden worktop and can be used as part of a compatible American PRO® modular storage system.

1.2 Description

Use as part of a complete garage storage system or as an individual storage unit. Supplied with wooden worktop for a practical work surface. Features adjustable feet for levelling on uneven floors and ball-bearing drawer slides. Fitted with a lock and two keys. Flat-packed for ease of transportation and requires some simple self-assembly.

Country of origin: China.

2. Safety Symbols

Refer to instruction manual

Wear protective gloves

3. Safety

! **WARNING!** Ensure health & safety, local authority, and general workshop practice regulations are adhered to when using this storage system.

! **WARNING!** Use storage on level and solid ground, preferably concrete.

- Locate in a suitable work area.
- Keep the work area clean, uncluttered and ensure there is adequate lighting.
- Keep the storage system clean and tidy in accordance with good workshop practice.
- Keep children and unauthorised persons away from the work area.

⃠ **DO NOT** use the storage system for any purpose other than that for which it is designed.

⃠ **DO NOT** use the storage system outdoors.

⃠ **DO NOT** place the storage system in a damp or wet location or an area where there is condensation.

⃠ **DO NOT** clean the storage system with any solvents which may damage the surfaces or the protective coating.

⃠ **DO NOT** move the storage system when there are items placed inside.

⃠ **DO NOT** overload the storage system.

4. Specification

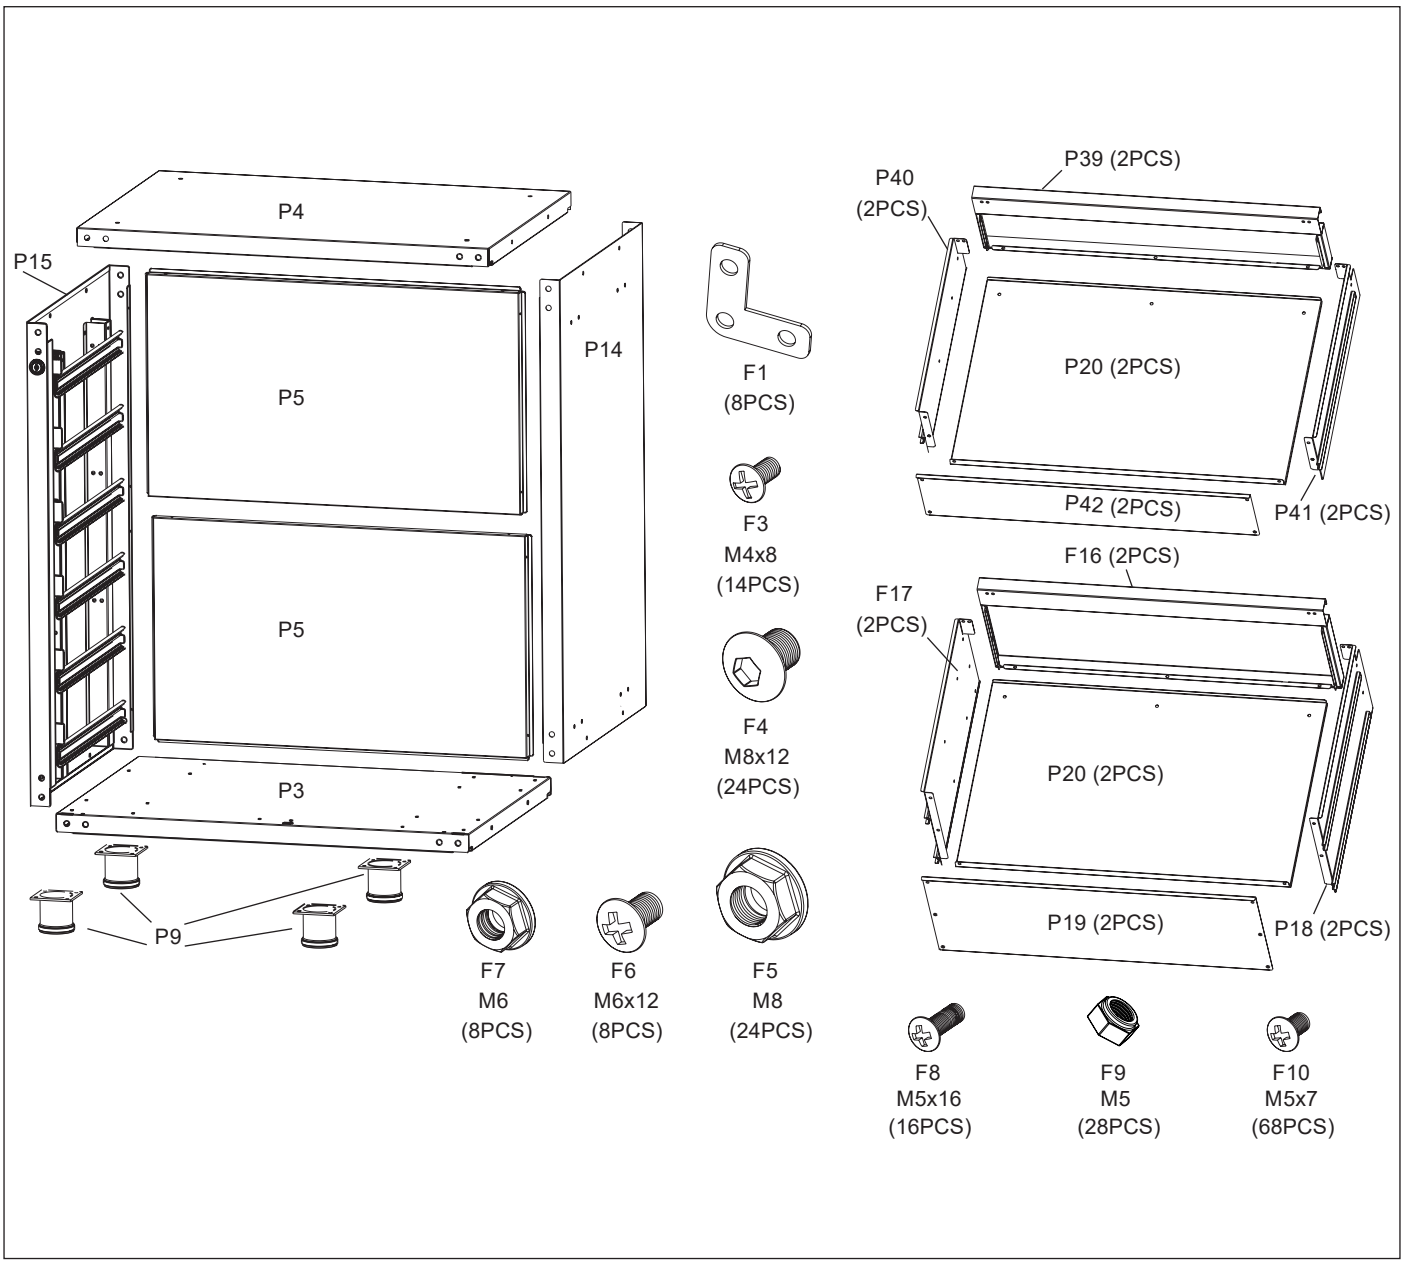

Model No:	**APMS92**
Overall Size:	660 x 455 x 845mm
Large Drawer (x2):	570 x 370 x 100mm
X-Large Drawer (x2):	570 x 370 x 215mm

6. Assembly

fig.1

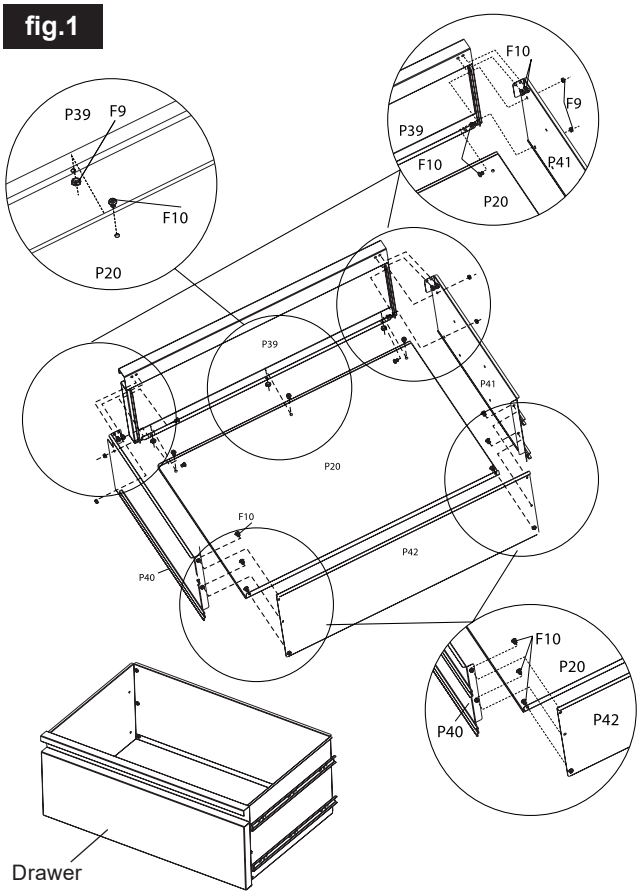

fig.2

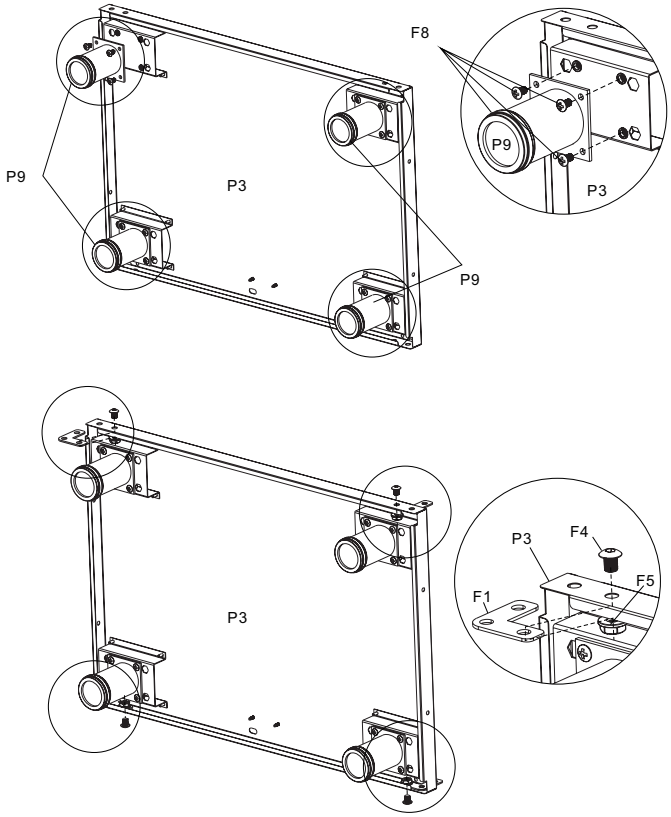

fig.3

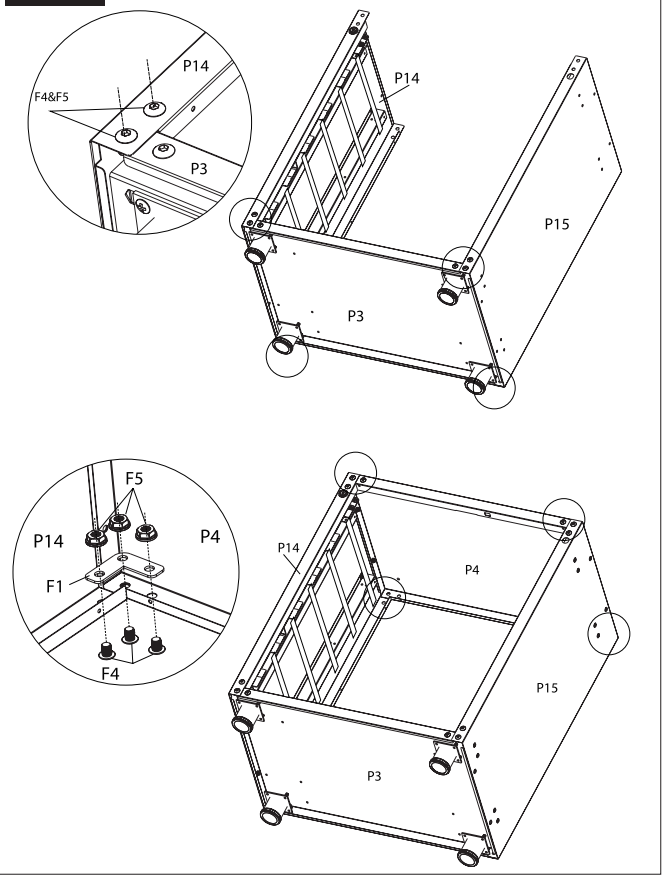

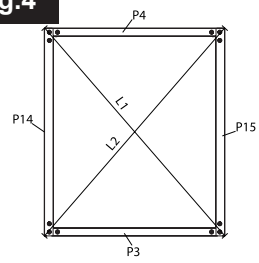

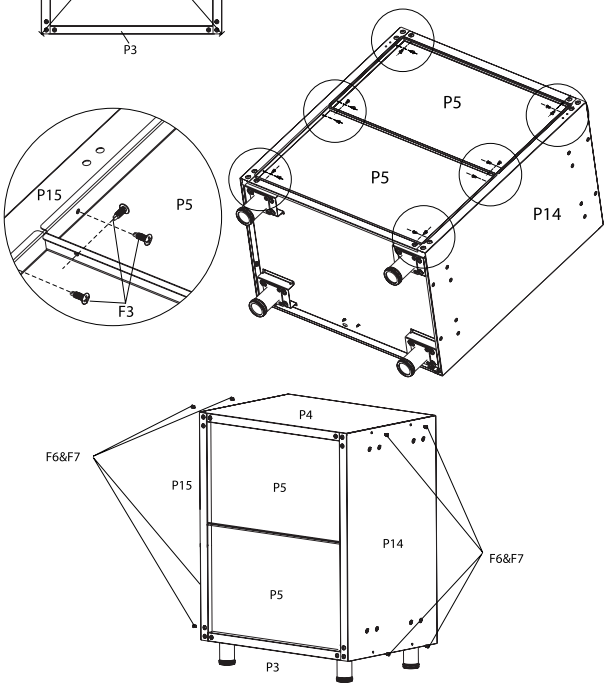

fig.4

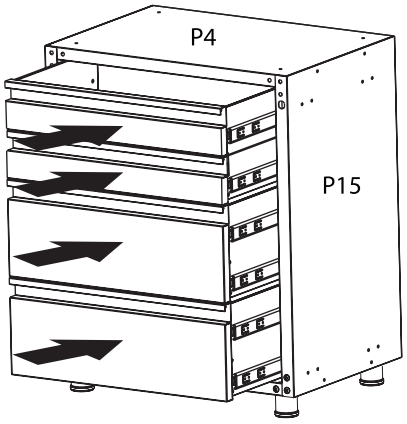

Length: L1 = L2

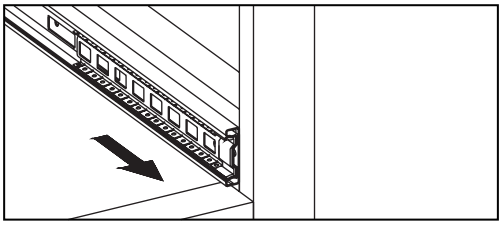

Square the cabinet frame. Ensure that the measurements from corner to corner are equal before completely tightening the bolts.

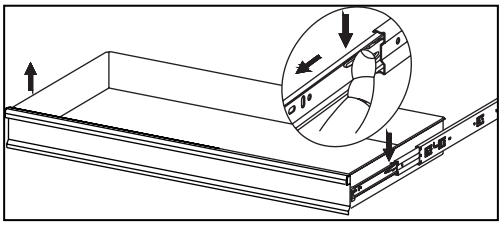

© Jack Sealey Limited

fig.5

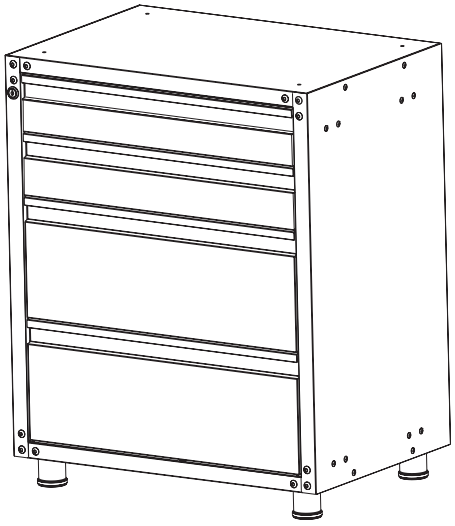

To replace the drawer, simply push the ball-bearing carts all the way to the end of the slides (on both sides), and align the slide runners on the drawer with the slide tracks on the unit. Carefully push the drawer in until it stops.

Note: If the drawer does not slide in smoothly, remove it and repeat the step.

If you need to remove the drawer, pull it fully open. Then push the plastic release lever on the ball-bearing slide up on one side and down on the other side, and pull the drawer completely out.

7. Consumables & Accessories

A wide range of consumables and accessories are available.

Visit www.sealey.co.uk to explore our extensive range.

8. Maintenance

- Inspect the cabinet regularly to ensure all screws, hinges, shelf supports, and door hardware remain secure, tightening them as necessary. Clean the cabinet using a soft cloth and a mild detergent solution, then dry all surfaces thoroughly.

⃠ **DO NOT** use abrasive cleaners, solvents, or corrosive chemicals, as these may damage the finish.

- Keep the cabinet free from dust, dirt, oil, and other workshop contaminants, and periodically lubricate the hinges and lock mechanism with a light machine oil to maintain smooth operation. Ensure shelf loads are distributed evenly.

⃠ **DO NOT** exceed the intended capacity.

- If the cabinet forms part of a modular storage system, check all mounting and connecting fixings regularly.
- Store and use the cabinet in a clean, dry indoor environment and promptly repair any damaged finish to help prevent corrosion and extend the product's service life.

9. Warranty

- Guarantee is 24 months from purchase date, proof of which is required for any claim.

📖 Please note that guarantee claims must be made via the place of purchase where you may need to provide proof of purchase. All consumable items are under no warranty period. All warranties exclude general wear and tear and misuse, see our terms of business for more details.

10. Aftersales Support

We are committed to supporting our products throughout their lifetime.

- If your product is outside of the warranty period, we offer an extensive range of spare parts along with expert technical advice to help keep your equipment in working order.
- Our technical team is on hand to assist 8.30am-5.00pm Mon-Fri with fault finding, repairs and general product queries.

  Telephone 01284 757505

  Email: technical@sealey.co.uk

📖 If required, products can also be returned to Sealey or one of our authorised repair agents for inspection, servicing or repair at a reasonable cost.

Product Registration

It's quick and easy to register your warranty online at www.sealey.co.uk. Just log in or create a free MySealey account, then head to the 'My Products' section to fill out the short warranty registration form. If your product is advertised with a free extended warranty upon registration, this will activate your extended warranty.

Environment Protection

Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain any fluids (if applicable) into approved containers and dispose of the product and fluids according to local regulations.
