The battery fitted to this lamp is considered to be a consumable item and its ability to accept a charge will reduce over time.

We will provide warranty against mechanical and electrical defect for a period of one year - this does not cover fair wear and tear.

If the battery is not properly charged before first use, or regularly conditioned, its capacity will diminish. Under these circumstances we will not replace the battery regardless of whether it is less than one year old.

NOTE: The lithium battery does not suffer from memory effect and once fully charged may be stored for up to six months without another charge.

4. OPERATION

4.1. CHARGING THE LAMP

- 4.1.1. Place lamp on charging base (fig.1). The blue indicator light will turn off when charged.
- 4.1.2. To charge via a 'type C' cable lift the flap on the side of the lamp marked 'input' and connect cable.

4.2. OPERATING THE LAMP

- 4.2.1. Push the button marked with the power symbol once to turn the end light on and twice to activate the large light on the side of the lamp.

4.2.2. Hold the power button in to activate the dimming function, release the power button when the lamp is at the required brightness.

5. MAINTENANCE

- 5.1. Keep the torch clean by wiping with a damp cloth.
- 5.2. Store torch in a dry childproof area.

ENVIRONMENT PROTECTION

Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain any fluids (if applicable) into approved containers and dispose of the product and fluids according to local regulations.

WEEE REGULATIONS

Dispose of this product at the end of its working life in compliance with the EU Directive on Waste Electrical and Electronic Equipment (WEEE). When the product is no longer required, it must be disposed of in an environmentally protective way. Contact your local solid waste authority for recycling information.
