- × **DO NOT** overload this product; it should only be used for the designed purpose.
- × **DO NOT** locate in a position where items could fall from the product assembly owing to accidental contact.
- ✓ Ensure that the product is firmly fixed to the wall refer to 4.4 below.
- ✓ Ensure that, when installed, it can be accessed without over-reaching or over-balancing.

## 2. INTRODUCTION

A robust steel, powder paint coated, hanger. Can be mounted to your doors, walls or wardrobe. An integral, quiet running fan will quickly and conveniently dry your helmet, whilst on the hanger. Inhibiting the build-up of damp and odour. Keep all your motorbike gear in one place. This hanger comes with an integrated strap that will hold your gloves, and it can also be used to hang your jacket, trousers or suit from. With the ability to mount the bracket where is convenient to you, this frees space from in your wardrobe, hallway or cupboards. And can place your bike gear where you want it. The angle of the bracket can also best display the decorative capabilities of a motorcycle helmet.

#### ENVIRONMENT PROTECTION

Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain any fluids (if applicable) into approved containers and dispose of the product and fluids according to local regulations.

#### WEEE REGULATIONS

Dispose of this product at the end of its working life in compliance with the EU Directive on Waste Electrical and Electronic Equipment (WEEE). When the product is no longer required, it must be disposed of in an environmentally protective way. Contact your local solid waste authority for recycling information.

**Note:** It is our policy to continually improve products and as such we reserve the right to alter data, specifications and component parts without prior notice.

**Important:** No Liability is accepted for incorrect use of this product.

**Warranty:** Guarantee is 12 months from purchase date, proof of which is required for any claim.
