

SAFETY WARNING!

TAKE GREAT CARE WHEN ATTACHING CLAMPS AND HEED THE WARNING TO COVER CHAINS AND CLAMPS WITH TARPULIN OR SIMILAR UNDER LOAD TO MINIMISE RISK FROM WHIPLASH AND MOVEMENT CAUSED BY ANY SLIPPING OR LOOSENING OF CLAMPS/HOOKS WHICH MAY OCCUR.

In the event of the puller/clamp becoming detached from the vehicle body work when under tension, a safety cable will minimise the risk of serious injury.

After attaching the puller/clamp to the bodywork, but before applying tension, one end of the safety cable should be clipped to the puller/clamp chain and the other end passed through the bodywork and then clipped to the chain, as shown.

ENVIRONMENT PROTECTION

Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain any fluids (if applicable) into approved containers and dispose of the product and fluids according to local regulations.

Note: It is our policy to continually improve products and as such we reserve the right to alter data, specifications and component parts without prior notice.

Important: No Liability is accepted for incorrect use of this product.

Warranty: Guarantee is 12 months from purchase date, proof of which is required for any claim.
