Refer to instructions

1. SAFETY

- WARNING!** Put the ear defenders on before exposing yourself to noise and wear them during the whole noise exposure. Be warned that failure to adhere to these recommendations will cause the protection afforded by the product to be severely impaired.
- ✓ Regularly check for serviceability.
- ✓ Ear defenders may be adversely affected by certain chemical substances. Further information should be sought from manufacturer of the chemicals that they may come into contact with.
- ✓ Ear defenders and in particular the cushions, may deteriorate with use and should be examined at frequent intervals for cracking and deterioration. Replace after 2 to 3 years of normal use or sooner if there are any signs of deterioration.
- ✗ **DO NOT** replace any parts, there are no replacement parts.
- ✓ The fitting of hygiene covers to the cushions may affect the acoustic performance of the ear defenders.
- ✓ Ear protection will be reduced if the defenders are not well fitted and not regularly checked.
- ✓ If the recommendations given in the instructions are not followed, protection provided by the ear defenders will be significantly reduced.
- WARNING!** These ear defenders are of universal size range. Ear defenders complying with EN 352-1 are of universal size range. Universal ear-defenders include small, medium and large size and are thus designed to fit the majority of wearers including for those whom medium size does not fit.
