

## FLEXIBLE SUCTION CUPS 50KG CAPACITY

Model: **WK1FE**

The contact surface and the suction pad surface must be completely free of dust, dirt, grease etc. for reliable adhesion to be achieved.

If the application time is less than 30 minutes suction pads may be used dry. For a longer hold the pads should be lightly moistened before application.

### **WARNING!**

**There is always a risk of the suction grip failing - never put yourself or others in danger of falling glass.**
